Dear Minister,

This is David Sykes, President of PSAT.

Thank you for answering my question at AMPA as best you could and recognizing the issue I raised about the disconnect between the infant hearing program (IHP) and the ministry of education, particularly Provincial Schools.

The lack of connection and existing practices continues to disadvantage D/deaf and hard of hearing children in our Province. I encourage you to connect with me, look into the matter so we can eliminate this systemic problem which in my view harms d/Deaf and HoH children by delaying access to language.

I look forward to your direct intervention, assuming the message I received at AMPA was genuine.

You may reach me at 416 434 6419. Mail to D Sykes, President PSAT D30, 35 Mobile Drive, Toronto, On M4A 2P6

Thank you kindly,
DAVID
